

What is 'www.costadejalisco.com'?

A website aimed at both locals and tourists which provides listings and locations of all kinds of businesses on the coast of Jalisco.

The site is split into sections including:

Costalegre & surroundings
Tomatlán
Puerto Vallarta & surroundings

Why is it different from other informative websites for the area?

Most informational websites for the area for tourists only, but www.costadejalisco.com aims to provide a comprehensible guide for **both tourists and locals**, providing a listing of businesses that may or may not be related with tourist activities.

This site will appeal to any one who needs to find something on the coast of Jalisco, from hairdressers, restaurants and hotels, to computer repairs, construction materials and plumbing, not offered by any other site.

www.costadejalisco.com will appear as a **sponsored link on the 'Google' search engine** (the world's most popular internet search engine) each month. It will **also be advertised** using banners, business cards and other informational material, therefore giving it a clear advantage over other such sites for gaining a significant amount of traffic.

The site will have **contacts with various travel agencies** in Canada, the USA and the UK, meaning that people planning travel to the Costa Alegre will be invited to look at the site before and/or during their trip.

Is www.costadejalisco.com for you?

- Do you have a business or offer a service on the coast of Jalisco?
- Do you rely on advertising or word of mouth to keep your business/service running?
- Do you have competition in the same area of business?
- Do you want more people to know about your business/service?

If you answered **yes to any of the above questions**, then the answer is **YES:**
www.costadejalisco.com is for you!
